

## **Bahrain Credit Launches Furnishing Finance**

Sunday 22<sup>nd</sup> July 2018 – Tubli

Bahrain Credit – leading financial company in Kingdom of Bahrain – has announced the launch of their newest financing product “Furnishing Loan” in a press conference held at BCFC headquarters on Sunday 22<sup>nd</sup> July 2018. The press conference was attended by CEO of Bahrain Commercial Facilities Company Dr. Adel Hubail, Senior Vice President Mr. Fadhel Al-Mahoozi, Head of Branches Network Mr. Hussain Al Madhi, and media representatives.

The new product is totally unique because it’s the only that provide home furnishing loan in the Kingdom to help Bahraini citizen who benefit from government housing projects to shift for their new houses and supporting government housing initiatives to provide decent living for Bahrainis.

“The product that we’re launching today is targeting those Bahraini individuals who have just received housing units over a period of 12 months” Dr. Adel Hubail said. “The loan is targeted to citizens of Bahrain to help them in buying the right furniture for their new home. Over and above, this product is providing unique privileges which are enabling them to get furniture, electronic devices, and home appliances with a voucher” he added.

He further said: “We signed partnership agreements with a number of leading furnisher and home appliances merchants to provide exclusive sales for our customers”.
