“Al-Matahin appoints a new CEO”

The Board of Directors of Bahrain Flour Mills Company BSC (Al-Matahin) announced the appointment of Mr. Henry Wayne Craig as Chief Executive Officer of the Company as of April 25, 2018.

"We are delighted to announce that Henry Craig has joined the company as the new CEO." **said the Chairman Mr. Abdullatif Alaujan** " He joins us with nearly 30 years of extensive international experience in mills and grain industry of all kinds with all technical, engineering and administrative fields of these industries. He holds an MBA degree in addition to qualifications supported by experience in milling and business specializing in oats and breakfast cereals throughout the UK and he has contributed the construction of several mills in China, Africa and Europe.

"I am very happy to join Al-Matahin," **said Henry Craig**. "Having spent my career in mill and grain industry, I am delighted to have the opportunity to lead this prestigious company in what is now a fantastic moment of growth and expansion. Al-Matahin is a strong competitor in the food industry in Bahrain and are well known for their excellence in products and services. I look forward to working with board members, executives and all employees as well as customers to expand and deepen high quality flour products throughout the Kingdom.
